Knitwits

On the last Wednesday of each month, this collection of knitters and craft workers meet in the Church Hall at 10:00 am.

All people are welcome and no experience is necessary. Beginners can be given some learning instruction.

All yarns and needles are supplied and a generous morning tea is supplied.

The group has knitted beanies for seafarers in the past, but was so successful that they have had to diversify into producing blanket squares and other items which are distributed to charities through an organisation called KOGO, which has Lincraft stores as collection points.

A convivial social atmosphere prevails.
